The World Kindness Movement Office Bearers | Expressions of Interest received from around the World | News from Liberia | The Courage of Kindness | General Assembly 2016 | World Kindness Week & World Kindness Day 2015.

Last month we had pleasure to announce the **confirmation of Thailand hosting the 1st World Leaders Kindness Summit in Bangkok** and this month we hear the news of the terror attacks designed to create fear and hate. The bomb blast occurred on 15 meters from the entrance to the office building of World Kindness Thailand, fortunately all have been accounted for and are safe. We immediately reached out and received a comforting response and now wanted to share this link to stories of Kindness and Courage the people of Thailand are performing in a time of crisis.

An Excerpt from the **Letter** to the **President Of World Kindness Thailand, Danai Chanchaochai** (in the photo), from our General Secretary **Michael Lloyd-White**, Thailand 18 August 2016.

"We pray you are safe from the horrors that have besieged the wonderful people of Bangkok and our hearts go out to the families and loved ones of the victims. Take comfort in the thought this does not daunt us but rather strengthen our resolve. During these dark hours of fear and hate which touch so many, we find solace through a people united by love and kindness and it is Thailand's Courage which forever shines and remains in our thoughts."
