## Working on a Summit in Thailand

Thanks to one of our newer members, **World Kindness Thailand**, there will be a **Kindness Summit**. World leaders will be hosted to attend and discuss Strategies to Create a Kinder World.

On Tuesday **16 June 2015** at 2pm, the Minister of the Prime Minister's Office called a meeting at the Government House to discuss the feasibility of hosting World Kindness Summit in Thailand. Other government agencies attended were Foreign Affairs Ministry (by the deputy Permanent Secretary), Tourism and Sports Ministry, Ministry of Culture, Ministry of Education, Tourism Authority of Thailand, Thailand Convention and Exhibition Bureau (TCEB), Board of Investment (BOI) and others.

We will take this to the 8th International Council in France to address and provide a formal response to the following question raised during the meeting in Thailand:

- *Will WKM act as the Secretariat Office, handling the invitation of World Leaders and Global CEOs?*
- *Will WKM solicit private sectors to help support in terms of additional budget, as the government will have a limited budget?*
- *The list of invited world leaders and global CEOs need to be proposed and discussed.*
- *The memorandum of understanding, declaration by World Leaders as the desired outcome of the Summit need to be proposed and discussed.*
- *The roles of WKM and the Thai Government*
- *The timing is likely to be 2016.*

## Growing together

We ask each of you to find the time to collaborate and work together reaching out to connect and share to create a critical mass of goodwill to bring about the positive change we seek. There is still much work to do before we can see a kinder world realized in our lifetime and we need to involve everyone. The major purpose of establishing WKF goes kindness level higher and deeper for our neighbors, friends or people who long for happiness. Accordingly your kindness will spread benefits for everyone's life. It is right time for all of us on the earth to act kindness. We truly believe WKF will become a pioneer to give love with kindness.

We look forward to seeing you in Avignon in France or at the next General Assembly in September 2016.

Kinds Regards
